

ISLAMIC DEVELOPMENT BANK

SCHOLARSHIP PROGRAMME FOR MUSLIM COMMUNITIES IN NON-MEMBER COUNTRIES (SPMC)

APPLICATION FORM

Dear Student,

Welcome to the IDB Scholarship Programme. Your interest in the Scholarship is highly appreciated because the IDB is trying to assist the development of Muslim communities in non-member countries around the world by giving scholarships to a Muslim youth like you.

To qualify for the Scholarship, you must have the following background and qualifications:

- Age not over 24 years.
- Completed senior secondary / pre-university education with good grades in major science subjects and language of instruction.
- Secured admission / studying in first year of professional course in one of the disciplines covered under the Programme at a recognized college or university in their own countries (for in-country study).
- Not in receipt of any other scholarship.
- Committed and needy Muslim.
- Recommended by the Counterpart Organization.

In addition, you must also be financially needy, not in receipt of any other scholarship, and be willing to return to your country and help the development of your community and country upon graduation.

The scholarship is an interest-free loan to enable you to study Medicine, Engineering or Agriculture (or other fields as approved by the IDB) and it covers the cost of living, clothing, books, tuition fees and medical costs. As such, you will be expected, upon graduation, to pay back the scholarship and other funds you receive from the Bank, in easy installments, to a local Trust or Waqf in your community. This is necessary because the scholarship is a grant from the Bank to the local community to enable it to sustain the scholarship into the future to benefit others including your children.

The Bank implements the Programme as a joint cooperation with a Counterpart organization in your community. This organization announces the Programme, distributes the application forms (free of charge), process applications and does the necessary pre-selection process and sends the results to the IDB in Jeddah, Saudi Arabia, where the final selection is made.

To apply, please contact the Counterpart Organization in your community and discuss your interest, situation and needs with them. They will assist you in your application and your study later. In fact, you are expected to work together with them to assist the development of your community upon your graduation.

May Allah bless your effort and good luck in your application.
